SAHIL KHAN

Full Stack Web Developer

work.sahilkhan1@gmail.com | +91-9303909219 | in/sahilkhan117 | github/sahilkhan117 | sahilkhan117.github.io

EXPERIENCE

Full Stack Web Developer | CyberDairy Solutions India Private Limited, Sagar, MP *Sept'24 – Sept'25*

- Developed scalable web applications supporting multiple users using optimized REST APIs and database design.
- Developed the Infinity College Admission & Counselling System with student registration, counsellor and admin modules, and role-based workflows using PHP and MySQL.
- Deployed and maintained web applications using DirectAdmin panel, database setup, and environment management.
- Contributed to multiple client projects, implementing feature enhancements, customization, and production support.
- Implemented authentication mechanisms using JWT and session management to ensure secure access control.

Web Developer Trainee | CyberDairy Solutions India Private Limited, Sagar, MP *Apr'24 – Sept'24*

- Completed 6-month structured training in the MERN stack with focus on Full Stack Web Development.
- Gained hands-on experience in React, Node.js, Express, and MongoDB through structured practice assignments and internal learning modules, with basic deployment exposure on DigitalOcean.
- Learned REST API development, authentication using JWT, and database integration concepts.
- Understood MVC architecture, CRUD operations, and deployment basics using cPanel.

PROJECTS

Chat-NCERT | Ollama, Next.js, Express.js, MongoDB | *Oct'25 – Dec'25*

- Developed a web-based academic assistant for NCERT content with structured question–answer interaction.
- Integrated local LLM responses using Ollama for query processing and contextual answer generation.
- Built backend APIs to manage user sessions and retrieve relevant study material.
- Deployed the application using Vercel serverless functions with proper environment configuration.

Infinity College Counselling & Admission Management System | PHP, MySQL, MVC Architecture *Sept'24 – Oct'24*

- Developed a role-based admission portal with student registration, merit calculation logic, and admin dashboards.
- Implemented secure authentication and optimized SQL queries for efficient data handling.
- Followed MVC architecture to maintain a clean and modular backend structure during the internship.

Cactus: University Social Network Platform | React, Node.js, Express, MongoDB, Socket.io *Sep'24 – Nov'24*

- Built a full-stack social networking platform with JWT-based authentication and role-based access control.
- Implemented real-time messaging and an efficient notification system using Socket.io.
- Designed REST APIs for posts, comments, and notifications with proper middleware handling.
- Structured the application using modular architecture for scalability and maintainability.

E-Commerce Product Dashboard | React, Node.js, MySQL, Chart.js *Nov'24 – Dec'24*

- Developed an admin dashboard for product management with CRUD operations and real-time search functionality.
- Integrated REST APIs and applied database normalization for structured data management.
- Implemented analytics visualization using Chart.js and Tabulator for business level analysis.

TECHNICAL SKILLS

- **Programming Languages:** TypeScript, JavaScript, Python, PHP, SQL, Java
- **Web Technologies:** Next.js, Express.js, React.js, Shadcn-UI, Node.js, Bun.js, GraphQL, WebSockets, JWT
- **AI and Automation Tools:** n8n, Ollama, LangChain (Basic), Scikit-learn, Vector Databases
- **Databases & Cloud Infrastructure:** PostgreSQL, MongoDB, Redis, AWS (EC2), Azure
- **Tools & Workflow:** Docker ,Postman, Git, GitHub, MS Office, Canva, Figma, VS Code, Antigravity IDE, Linux
- **Core Computer Science:** Algorithms, Data Structures, Operating Systems, Computer Networks, DBMS, COA

ACHIEVEMENTS

- Competitive Programming: **LeetCode 260+** problems solved | Rating: **1,619** (Top **20.83%**) | Handle: **sahilkhan117**.
- SIH Hackathon: Secured **4th rank** in the internal round for developing a **PM Internship Portal Allocation System.**
- NPTEL Programming in Java - **Elite + Topper (IIT Kharagpur,** Jun'24) - **top 5%** nationally (**90+** percentile).
- Reliance Foundation Scholarship **(Jun'23)** - Selected among **top 5,000** nationwide for academic excellence.

EDUCATION

B. Tech. in Computer Science and Engineering ***SGPA*** *(7th): 9.65* **|** ***CGPA****: 8.21*
Dr. Hari Singh Gour Central University, Sagar, MP *Aug'22 – Jul'26*

12th Senior Secondary (XII) *89.60%* **|** *2022*
Govt. Excellence Higher Secondary School, Damoh, MP
