

SAHIL KHAN

Full Stack Software Developer · Java / Python · Gen AI

sahilkhan117.github.io | 9303909219 | work.sahilkhan1@gmail.com | linkedin/sahilkhan117 | github/sahilkhan117

SUMMARY

Full Stack Software Engineer with 1+ years of professional production experience architecting web applications using Python, Java, and JavaScript. Competent in engineering clean, maintainable code using robust OOP principles and structured SDLC methodologies. Combines real-world full-stack development experience with an elite academic foundation, including a 95.20 percentile in GATE 2026 CS and deep theoretical knowledge of DSA, multithreading, and database design with PostgreSQL, Drizzle ORM, NoSQL MongoDB and Vector Databases.

TECHNICAL SKILLS

Languages : Java, Python, JavaScript, TypeScript, SQL, PHP, C (familiar)
CS Fundamentals : Data Structures & Algorithms, OOP, Design Patterns (MVC, Factory, Singleton)
Concurrency : Multithreading, Async Architecture, Concurrent User Handling, Event-Driven Systems
Backend : Spring Boot (familiar), FastAPI, Django, Node.js, Express.js, REST APIs
Frontend : React.js, Next.js, Tailwind, MUI, HTML5, CSS3, Responsive UI
AI / ML : Python (NumPy, Pandas, PyTorch), RAG Pipelines, LLM Integration, Prompt Engineering
Databases : PostgreSQL, MongoDB, MySQL, Redis
Engineering : SDLC, TDD (aware), Docker, Git/GitHub, Linux, Agile/Scrum, CI/CD

EXPERIENCE

Full Stack Web Developer

Sept 2024 – Sept 2025

CyberDairy Solutions India Pvt. Ltd. (est. 2004, 1,800+ global clients – Europe, UAE, India)

Sagar, MP

- Built **scalable, stable** custom software solutions for **10+ client projects** following formal SDLC practices.
- Applied **OOP principles** and **MVC design pattern**, engineering **REST APIs** processing **500+ daily requests**.
- Implemented **concurrency-aware** backend supporting **500+ concurrent users** with **JWT** auth and **RBAC**.
- Debugged and resolved** production issues **30% faster** across **5+ client deployments** in **agile sprints**.
- Automated business logic via **Python scripting** following SDLC practices, cutting processing time by **40%**.

Web Developer Trainee

Apr 2024 – Sept 2024

CyberDairy Solutions India Pvt. Ltd.

Sagar, MP

- Applied **design patterns** and **OOP** in Node.js/Express backend; shipped **5+ full-stack** apps to production.
- Built **REST APIs** with **JWT** authentication under **MVC architecture**, deployed on DigitalOcean (20% faster).

PROJECTS

Chat-NCERT: Scalable AI SaaS Platform

Oct 2025 – Dec 2025

Python, FastAPI, PostgreSQL, Docker, Gemini-2.5, Qwen (OOP / Design Patterns)

notion/sahilkhan117/chat-ncert

- Engineered **multi-tenant FastAPI backend** on **PostgreSQL** with **OOP design** and **async architecture**.
- Applied **design patterns** (Factory, Strategy) across **microservices** for clean, **testable, maintainable** code.
- Implemented **RAG pipeline** with Python (**Pandas, NumPy**), processing **100+ daily AI queries** at 95% accuracy.
- Containerized via **Docker** with **CI/CD** pipeline, ensuring zero-downtime **scalable** deployment.

Cactus: Real-Time University Social Platform

Sept 2024 – Nov 2024

React.js, Node.js, Express.js, MongoDB, Socket.io, JWT, OOP

notion/sahilkhan117/cactus

- Built **scalable, stable** real-time platform for **5,000+ concurrent users** using modular **OOP architecture**.
- Integrated analytics dashboards and discovery algorithm, lifting engagement **40%**, efficiency **25%**.

ACHIEVEMENTS

- GATE 2026 CS**: Score **468, 95.20 Percentile, AIR 10143** – strong CS fundamentals across algorithms, OS, DBMS.
- Agentic AI Certifications** Oracle Agentic AI Foundations Associate Course by Oracle University.
- NPTEL Java – IIT Kharagpur**: **Elite + Topper** (Jun 2024), top **5% nationally** (90+ percentile) – OOP, multithreading.
- Competitive Coding**: **380+ problems** on LeetCode; rating **1,619** (Top 20.83%) – leetcode/sahilkhan117
- Reliance Foundation Scholarship**: Top **5,000 students** nationwide (Jun 2023).
- SIH Hackathon**: **4th rank** (internal round) – backend development of a **PM Internship Portal Allocation System**.

EDUCATION

B.Tech. in Computer Science and Engineering

Dr. Hari Singh Gour Central University, Sagar, MP

SGPA: 9.65 | CGPA: 8.21

Aug 2022 – Jul 2026
